RE: Request for a minor change to Business Planned
Development No. 648 (Lehmann Court/Diversey Avenue)

Dear Mr. George:

Please be advised that your request for a minor change to Business Planned Development No. 648, on behalf of V and N Limited Partnership and LVM Illinois Corporation, has been considered by the Department of Planning and Development pursuant to Section 11.11-3(c) of Chicago Zoning Ordinance and Statement No.11 of the Planned Development.

Specifically, you requested an extension to the expiration date of this Planned Development per the requirements of Statement No.13 which states that if construction has not commenced on proposed improvements in Subareas A (hotel) and C (garage) within 5 years following adoption of the Ordinance, the Planned Development would expire. You further indicated that this additional time is required in order for your client to obtain the required financing for the proposed development. The Planned Development was approved by the Chicago City Council on September 10, 1997 and would expire on September 10, 2002. The requested extension of one year would be from September 10, 2002 to September 10, 2003.

The Department has reviewed the request and has determined that the requested extension of the expiration date for this Planned Development would be appropriate allowing for the development of the site as originally proposed and approved. Accordingly, pursuant to the authority granted by the Chicago Zoning Ordinance, I hereby

approve the requested minor change, but no other changes to this
Planned Development.

Very truly yours,
